Just say the word.

With Ford's intuitive SYNC™ system, you're in ultimate voice control. Connect effortlessly to your iPod, phone and the inbuilt Sony audio system – without your hands ever leaving the wheel.

Help is on its way.

In an Australian first, SYNC™ Emergency Assistance will automatically call for help if you have an accident. If the airbags are deployed, SYNC™ uses your mobile phone (as long as it's paired and in range) to dial emergency services and give them your exact GPS co-ordinates.

Engineered for thrills

The Fiesta ST is pure exhilaration. From its powerful engine to its striking design, all elements are surging with energy.

Racing seats.

With world-famous RECARO® sports seats providing excellent shoulder and torso support, strap yourself in for an accelerating ride.

Feel the rush.

Piped inside the cabin, the engine's throaty acoustics accentuate the sporty sensation. ST scuff plates and sports alloy pedals promise performance.

Powerfully efficient.

A revolutionary 1.6L EcoBoost engine combines turbocharging with direct-injection, giving you a powerful drive, without sacrificing fuel efficiency.

Precision cornering.

Every corner's a thrill with a unique sports suspension system and Torque Vectoring. Plus low-profile 17" alloys with high-performance rear disc brakes help you maintain control.

Turn heads, quickly.

With a dynamic front fascia and sports body kit, ST's design is racing with movement. Blink and you still can't miss its integrated rear spoiler and dual-pipe chrome exhaust.

Automatic technologies.

Ford Smart Key, push button start, rain sensing wipers and automatic projector headlamps take the work out of driving. So you can just relax and enjoy the exhilaration.

Stand out from the pack

For a unique look on the road, choose from a range of bold and exciting colours, like the exclusive Molten Orange.

S = Standard. O = Optional.

1. All performance data for petrol models measured using 95RON fuel. 2. Figures obtained from controlled tests using ADR 81/02 (combined). Actual fuel consumption and emissions will depend on many factors including driving habits, prevailing conditions and your vehicle's equipment, condition and use. 3. Capless refuelling with misfuel inhibitor. 4. Including: Front bumper skirt, Rear bumper skirt, Side skirts, Sports grille, Large rear spoiler. 5. Connection cable sold separately. Refer to <http://www.ford-mobile-connectivity>. 6. SYNC™ can use your paired and in range mobile phone to call for help and give your GPS location to emergency services if you're ever in an accident that deploys the vehicle's airbags. 7. Bluetooth® is a registered trademark of Bluetooth SIG Inc., and is used under licence. Please refer to ford.com.au for mobile phone compatibility. 8. iPod is a trademark of Apple Inc. Please refer to ford.com.au for iPhone compatibility. 9. Dynamic Stability Control is also known as Electronic Stability Control.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

Sustainability

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safety

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to help protect you.

Smart

Vehicles with smart, intuitive technologies designed to connect you to your world and many clever solutions that make life a little easier.

Speak to your Ford Dealer today about how we can help you make the most out of your vehicle ownership experience.

3 year/100,000km new car warranty.#

For three years or 100,000km, whichever comes first, your Ford is covered against any defects in factory materials or workmanship. This also applies to Genuine Ford Accessories you may have had fitted before you took delivery.

5 year warranty against perforation corrosion.#

It's reassuring to know that the original body of your gleaming new Ford is guaranteed against perforation corrosion for the first five years of its life. If perforation corrosion occurs, we'll fix it for free.

myFord Warranties and Insurance.

When you first turn the key of your brand new Ford you want to do so without a care in the world. Our range of myFord products gives you that extra peace of mind. For more information about myFord Warranties and Insurance, visit your participating Ford Dealer for further details on the plans that best suit your needs. Terms, conditions and eligibility criteria apply.

12 months/15,000km service intervals.

Under normal driving conditions service intervals are 12 months or 15,000km, whichever occurs first.

Running a fleet?

Our Ford Fleet team is available to assist fleet customers with information on Ford products and services. Call 1300 13 13 30 or email askfleet@ford.com

Want to contact us?

For answers to your questions, or help with any concern, contact our Customer Relationship Centre on 13 FORD (13 3673) or email customers@fordcrc.com.au

Visit us on the web.

If you want more information on Ford or our entire product range, visit us at ford.com.au

myFord Capped Price Servicing.

Your new Ford vehicle now gives you access to myFord Capped Price Servicing, which means it makes even more sense to have your Ford looked after by the people who know your Ford back to front, inside and out. With myFord Capped Price Servicing, Ford will publish the maximum price you will pay for a standard A or B logbook service at participating Authorised Ford Dealers for all vehicles built from 2007 up to 6 years or 105,000 kilometres, whichever comes first.

In addition, when vehicles are serviced under myFord Capped Price Servicing, Retail and Blue Business Fleet customers will also receive 12 months myFord Standard Roadside Assistance (RRP \$90).

For more details visit your local Ford Dealer or visit www.ford.com.au/myfordcps for full terms and conditions.
